Food for Life Partnership
A framework to embed positive food culture across the university

Susannah McWilliam,
University and Hospital Project Manager,
Food for Life Partnership
This session

• Introduce the draft Food for Life Partnership university framework and pilot approach

• Ask for feedback
The history: a whole school approach

• Leadership
  - The Headteacher leads the change

• Great school food and a positive lunchtime experience
  - Providing fresh, responsibly-sourced food

• Education
  - Practical cooking and growing, farm links, pupil engagement

• Extending reach
  - Engaging parents and community
  - New project working with Age UK

• Long-term programme working at the population level
  - Working to change systems
The Lancaster University pilot

Learning together..
